In the Matter of:

THE NOTICE OF PURCHASED)	
GAS ADJUSTMENT FILING OF)	
PENDLETON COUNTY WATER)	CASE NO. 8568-Z
DISTRICT, GAS DIVISION)	

O R D E R

On December 8, 1982, the Commission issued its Order in Case No. 8568 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On July 11, 1985, the Commission issued its Order in Case No. 8568-T allowing Pendleton County Water District, Gas Division, ("Pendleton") to pass on a decrease in rates from its supplier, Columbia Gas Transmission Corporation ("Transmission"), effective April 1, 1985, and ordered Pendleton to report to the Commission any excess revenues collected along with a plan to refund these excess revenues to Pendleton's customers. On November 12, 1985, Pendleton submitted its excess revenues and refund plan to the Commission.

After reviewing the record in this case and being advised, the Commission is of the opinion and finds that:

(1) Pendleton's notice of November 12, 1985, set out a refund factor which Pendleton proposed to place into effect, said refund factor being designed to pass on excess revenues in the amount of \$10,472 or 29 cents per Mcf.

(2) The refund factor should remain in effect for two months or until such time as the full amount plus interest has been returned to Pendleton's customers.

(3) The refund should begin with meter readings taken on November 1, 1985, or as soon as practical thereafter.

(4) Pendleton should refund the amounts reported in its application plus interest at a rate equal to the average of the "3-Month Commercial Paper Rates" less 1/2 of 1 percent to cover the costs of refunding. These monthly rates are reported in the Federal Reserve Bulletin and the Federal Reserve Statistical Release.

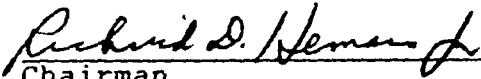

IT IS THEREFORE ORDERED that Pendleton shall apply a refund factor in the amount of 29 cents per Mcf as a reduction in the approved purchased gas adjustment beginning with meter readings taken on November 1, 1985, or as soon as practical thereafter, and this refund factor shall remain in effect until such time as necessary so that the total amount refunded will, as nearly as possible, reflect the amount received. The refund factor will terminate when the amount refunded equals the refund herein reported plus interest.

IT IS FURTHER ORDERED that within 30 days from the date the refund factor is terminated Pendleton shall file with this Commission a summary statement showing a reconciliation of customer billings and the amount refunded.

IT IS FURTHER ORDERED that within 30 days of the date of this Order Pendleton shall file with this Commission its revised tariffs setting out the refund factor authorized herein. All other rates and charges shall remain in full force and effect.

Done at Frankfort, Kentucky, this 27th day of November, 1985.
